- We moved her from Goleta 2 yrs ago bc we felt that district was off-track (politically). We are so happy to be here as our children are receiving a TRADITIONAL education at College Elementary.
- The teachers and staff at Santa Ynez Elementary all care so much for the students. They go far and beyond their job requirements to make school an enjoyable and safe experience.
- We enjoy the community/family events put on throughout the year...Steam, Halloween, winter show, etc.
- It is great to be a Bobcat. We can only get better!
- My daughter just started TK so I left some questions blank since they don't apply to us just yet.

- Nothing negative - this is a great school!
- The district is taking positive steps to be more communicative with parents and the broader community.
- I would like to see the buildings renovated and the playground upgraded. Security cameras throughout should be installed. Onsite security as well if possible.
