- School definitely gets tiring waking up every day just to do the same dang thing. Some stuff is amusing but it gets s tiring to the point you just want to go to bed and never wake up. People at school always teasing me bc of this 1 dumb thing. But there is one kid who gets on all of our nerves he either picks on everyone or just makes jokes he maybe thinks are funny but they are definitely mean he just doesnt know. Whenever I come to school i am not looking forward to anything, well only student council. The food here is disgusting and they cant change it but i dont eat lunch because its very bad and sometimes i have to starve until i get home because i whould rather starve then eat our school food.
- I don't have any critical comments.

- I'm good just to say that I'm comfortable here

- Nothing really.
