  - COVID is over so those questions definitely weren't necessary.
  - My concern is the new student in the classroom, and whether the continual safety of my child and the other students is now at risk.
  - Effectively dealing with bullying continues to be a challenge for the school. It is acknowledged that this is not an easy problem to solve. However I feel that efforts made by the school to help ended up making my child's situation worse off, though that was not the school intention.
