 - I love our campus!
 - College School and SY Elem is an awesome place to work, the staff and admin are great, supportive and just down right awesome
 - Our school is staffed with highly trained, caring teachers and paraprofessionals. Students have access to safe classrooms and necessary supplies. Small student:teacher ratio fosters caring relationships.

 - We need stricter consequences for bad behavior. After our discussion with communication, I feel like we don't have a communication issue so if one or two staff feels this way then maybe they need to speak up more. This year has been so great and the vibe has been wonderful!
 - Still desperately need a primary science specialist.
