- Great school
- We love IVE BOUND and our principle□□
- Love the school and the staff. I wish we didn't have teacher turnovers.
- The only issue is the size of the outdoor area. Too small.

36. Please feel free to contribute any other critical comments.

- Thank you for all this year. This is my child's last year in this school, and I can't be more thankful
het attending this school since 5th grade
- Some of students have to be nice to others
- It would be great for the school to pay for parking in a neighboring lot so that the parking area was
used at a recreational area for the students.
- Staff and teachers should be more dedicated to helping students learn and not just waste time.
