- Great School
- I am very thankful my child attended PES through the pandemic. The district and staff have always placed safety of the children first. I know people that have kids in other school districts in California and they don't have the great support that we have here in Planada to keep our kids safe. Thank you all for keeping our kids safe!

- COVID communication, procedures, protocols are on point.
- I
- Me parece que estan haciendo buen trabajo en todos los aspectos.
- Estamos cómodos con el sistema de aprendizaje de nuestro hijo

- I answered neutral for the parent training questions because I didn't see a "Not Applicable" option. I didn't attend any trainings so I can't speak to those.
- None
- Other than the awesome COVID communication I really don't hear other news and events. COVID communication regarding assets is also not there. Assets classes/groups don't get notifications of positives and not sure of contact tracing happens there. I didn't know there is some kind of tutoring going on now after school. I missed the notice on some of the board meetings etc.
- Mi hijo me ha comentado que hay compañeros que lo molestan siempre se lo comento a su maestra, me preocupa por que habeces hay dias que mi hijo no quiere ir a la escuela por la misma razon que lo molestan algunos niños.
- Muchas gracias por tomar en cuenta nuestras opiniones
